# Council Overview

# Introduction

Welcome to the National Pan Hellenic Council for the Upstate Counties of South Carolina, which includes the Greater Greenville Area. Our council is often referred to as the "PAN council". This trifold is intended to give members and the public a brief of the local member chapters of the Council.

Nationally, we are the nine national recognized predominantly Black Greek-Letter Organizations (BGLO), both fraternities and sororities.

Locally, the council is made up of eleven Chapters in the Upstate of South Carolina. This council is affiliated with the National Pan Hellenic Council. Our signature events are the PAN Greek Cookout, Day of Fellowship and our quarterly Greek Mixers.

We meet on the fourth Monday of every month at the Greenville County Library, Greenville, SC at 6:30 PM. A full Schedule is posted on our website.

## We are different...

Phi Beta Kappa, the first American college fraternity, was organized on the campus of the College of William and Mary in 1776. Black college fraternities and sororities did not emerge until the early 1900's. With founding dates from 1906-1963, the member chapters of National Pan-Hellenic Council (NPHC) have a deep history and tradition which makes us different than most fraternities and sororities you may encounter.

## Aren't all Greeks the same?

Don't confuse us with other councils and Greek-letter groups. The Panhellenic Council is a council of predominately white sororities. Interfraternity Council (IFC) is a council of predominately white fraternities. National Pan Hellenic Council is an organization of Fraternities and Sororities of African American Descent. All NPHC organizations have integrated since 1940's, and we have members from various ethnic backgrounds.

## Life Commitments & Service to others

NPHC organizations encourage life-long commitments and we typically have members who are active for 40, 50, even 60 years or more. Each organization incorporates Scholarship and Service into their preambles. This focus gives a unique blend of service and social elements to our chapters.

## Aren't You a College Greek Organization?

Yes, all NPHC Chapters have members who have attended college. However, each organization has graduate and undergraduate chapters. Once an undergraduate member leaves college they are expected to affiliate with a graduate chapter. The Upstate Pan-Hellenic Council has only Graduate Chapters as members of its council. Many chapters act as advisors to local undergraduate chapters in the area.

## Why do some chapters identify themselves with Greek names?

Many (not all) chapters signify the chapters with Greek names, thus chapters may be known by chapter name followed by the organization name (i.e. Gamma Gamma Gamma Lambda Chapter of Alpha Phi Alpha Fraternity).
